Regenda Homes is looking to demolish the **Marine View building** and replace it with modern apartments, available for affordable rent to over 55s.

We are holding an open event for the local community to view our plans and speak to us about any queries that they might have.

On the day, attendees will be able to speak directly to representatives from Regenda Homes' Development, Assets and Neighbourhood teams.

**Location:** North Euston Hotel

**Date:** Thursday 11 April

**Time:** 3pm - 6pm
